lanitestingasparent@gmail.com

Message a provider.

Send a message to a provider to start chatting with them. They will get your message and respond via text, email or phone.

Meet and Match!

From there, schedule an interview, ask for a virtual tour, or schedule an in-person tour.
Once you find the right fit, let us know!

*Parents should verify the Child Care Provider's licensing status using the state's website before starting care. While Carina only invites licensed providers, there can be changes to a provider's licensing status that are most current on the state's licensing website.
